

Infant and Early Childhood Mental Health Workforce Collaborative (IECMH-WC)

DC:0-5™ Overview Training

Mar 2022 – Dec 2024

18 trainings delivered

473 providers trained

The IECMH-WC provides free DC:0-5™ Overview Training to Washington State professionals whose role supports social-emotional well-being and the mental health system of care for children prenatal through age five and their families enrolled in Apple Health (Medicaid).

DC:0-5™ Overview Training (1.5 or 4 hours) provides an overview of the background, approach, and content areas of DC:0-5™ to support understanding of infant and early childhood mental health and the emotional and behavioral challenges very young children may experience, recognition of early signs of distress in young children, and comfort and confidence in making referrals to mental health services, when needed.

Who is participating in DC:0-5™ Overview Training?

Most serve young children and families in:

- Greater Columbia
- North Sound
- Pierce County

**Region of service data is non-mutually exclusive as 13% serve in multiple regions.*

Most are professionals in:

- Behavioral health
- Developmental services
- Primary & specialty care
